“ To the Optimist the glass is half full. To the pessimist the glass is half empty. To the engineer the glass is twice as big as it needs to be. ”

About our Department - Information Technology

1. The Department of Information Technology launched in the year 2012, focus on comprehensive learning to benefit the students in making significant contributions to the Information Technology industry and to serve the society big.
2. The department strive obstinately for achieving excellence in computing disciplines from its inception and pursued through its gamut of academic programmes by offering B. Tech (IT) degree with an intake of 60 (120 from 2019) and M. Tech (Data Sciences) with an intake of 18 from 2020.
3. The faculty members are highly motivated with pioneer research and excel in teaching and learning processes. They deliver opportunities for the students to smear the assimilated knowledge for solving real-world problems and gaining graduate research experience.

The Department has

- well equipped classrooms and
- computer laboratories
- with high-end systems
- with LAN & Wi-Fi connectivity.

The Department has

- industry support and
- Centres of Excellence status in Data Science.

“The student’s placement record of the department is continuously impressive.”

The foremost objective of the department is to :

- produce computing graduates with the calibre to design
- and develop computing systems
- that involves software and hardware integration
- by employing state-of-the-art approaches in programming and problem-solving skills.
- In addition, it strives to build data/computing infrastructure for the organization.
